Description

Smart, stylish, and thoughtfully designed, this modern studio apartment offers 40 m2 of pristine internal space in the sought-after residential neighborhood of Egkomi. Currently under construction with completion scheduled for 2027, this home combines effortless contemporary architecture with exceptional Class A energy efficiency.

Situated on the first floor of an intimate two-story building serviced by an elevator, the residence maximizes every inch of space to create a bright and welcoming living environment. The open-plan layout connects sleeping, living, and dining zones smoothly, while the inclusion of underfloor heating ensures supreme comfort throughout the cooler months. A well-appointed bathroom complements the interior with clean lines and high-quality contemporary finishes.

Living in Egkomi places everyday conveniences directly at your doorstep, offering a peaceful atmosphere coupled with immediate proximity to local neighborhood amenities. Whether you are looking for an effortless city base or a smart lock-and-leave retreat, this home is tailored for relaxed day-to-day living.
