Description

A new three-storey apartment building project is on the way In a privileged area in Kaimakli, which consists of luxurious one- two or three-bedroom apartments.

The project enjoys the quiet, but at the same time the comforts of the wider area, as it is close to important locations and has direct access to main activities.

The simple and clean design of the project allows it to have six spacious apartments with beautiful interiors, terraces, parking spaces and storage.

The building is made of high-quality and durable materials both internally and externally, while the technical specifications meet the requirements of the modern lifestyle.

The apartments are designed to meet high quality standards between design and functionality and create a perfect result at a reasonable price.
