Description

For sale: This under-construction house in Lakatamia offers a modern living environment with a total internal area of 172 m2, all set on the ground floor. Designed for comfort and functionality, it features three spacious bedrooms and one bathroom, making it ideal for families or professionals seeking extra space.

Lakatamia is a well-developed, vibrant area known for its combination of quiet residential neighborhoods and easy access to key amenities. The community boasts a variety of shops, schools, parks, and recreational spaces. Its location ensures quick access to the nearby highway, making commuting to the city and other destinations both simple and efficient.

The house is being built to high standards with energy efficiency class A, which keeps running costs low and supports sustainable living.
