Description

This project is a modern three-floor building in the Archangelos area of Lakatamia. This family-friendly neighborhood offers a peaceful lifestyle with parks, schools, and local amenities while being well-connected to the city.

The residence features stylish one- and two-bedroom apartments, with first-floor units enjoying private gardens. A nearby park provides a perfect space for walks and outdoor activities. With only eight apartments, it ensures privacy and a close-knit community.

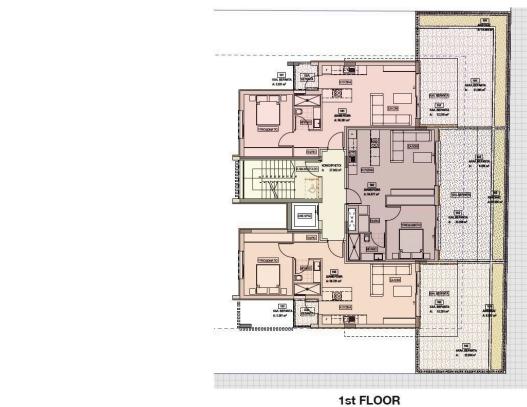

Designed for comfort and sustainability, the building has an Energy Efficiency A rating, full air-conditioning, electrical shutters, and photovoltaic panels (1.5kW for one-bedroom and 2kW for two-bedroom apartments). Combining suburban tranquility with urban convenience, 2PARK Residence is the ideal place to call home.
