Description

Discover the new apartment building located in Strovolos. This building features 24 modern apartments, spread across 4 floors with 6 apartments per floor, offering spacious and functional living spaces to meet every need.

The building combines exceptional architecture with modern amenities, providing the perfect environment for comfortable living. Each apartment is equipped with large verandas and balconies, offering extra space and comfort to enjoy your outdoor area throughout the year.

The construction has an A' energy efficiency rating, ensuring excellent insulation and reduced energy needs, contributing to energy savings and environmental protection.

The location is highly advantageous, as it is close to all necessary services and facilities, such as schools, shops, restaurants, and public transportation, making life easier and more convenient.
