Description

Two bedroom apartment to rent in an excellent location in Agioi Omologites, rwalking distance to KPMG.

The 75 square meter interior is fully furnished and holds two bedrooms and one bathroom, laid out within a building completed in 2000 which has been recently renovated, and thus in a spotless condition.

Furnishing throughout means the apartment is set up to move into without further work, and the top-floor position keeps the city view unobstructed by neighboring rooftops.

Common expenses are included in the price!

Pets are not allowed!

Its location puts the highway within easy reach for anyone commuting by car, and everyday amenities are near enough for routine errands without a long trip. Living here means being within the everyday rhythm of a capital district: shops, cafes, and services of the kind a central urban neighborhood typically supports, all reachable on foot or by a short drive.

For anyone wanting a base inside Nicosia itself rather than on its outskirts, this district offers that urban footing directly. To arrange a viewing of this apartment, contact MPA Property.
