Description

This third-floor apartment in Agioi Omologites has just been renovated in 2025, refreshing a building that dates back to 2000. Floor 3 of 6 is reached by elevator, and the apartment is fully furnished and ready for immediate occupancy.

The 100 square meter interior holds three bedrooms and one bathroom, giving enough room to separate sleeping quarters from shared living space. With the furnishings already in place, moving in involves little more than settling into the layout as it stands.

The building forms part of a gated complex, adding a layer of security around the property, and everyday amenities are within easy reach of the entrance.

The property is ideal for young professionals and families.

Please note that the common expenses are 30euro/month and it is a no pets allowed property.
