Description

The residence comprises five floors with nine apartments in total. Each floor comprises two apartments, one two-bedroom, and one three-bedroom apartment. The last floor of the building has a three-bedroom penthouse with spacious open-plan interior spaces and large terraces with nice views.

It's a contemporary building with modern apartments, ideal for families and individuals who want to live in a nice residential neighborhood close to office complexes, companies, a few minutes away from the mall of Nicosia and with easy access to all parts of the capital.

The modern lines of the building and the carefully designed apartments offer comfort and functionality, whereas the high-quality standards in construction and materials raise the standard of living. The building includes spacious apartments with large interior spaces, bedrooms, balconies, parking lot, and storerooms.

The project comprises five floors with nine apartments in total. Each floor comprises two apartments, one two-bedroom, and one three-bedroom apartment. The last floor of the building has a three-bedroom penthouse with spacious open-plan interior spaces and large terraces with nice views.
